Name of Organization:	Dufferin Historical Society Inc.
Charitable Registration Number:	11888 9054 RR0001
Address:	Box 1646, Carman, MB R0G 0J0
Number of Employees:	1
Number of Members:	10
Year Established:	1959
Primary Contact Person:	Trish Aubin
Title of Primary Contact Person:	Director
Phone:	2047457353
Email:	rockcres@mymts.net
Organization description:	The Dufferin Historical Society Inc. collects and preserves artifacts and historical records which illustrates the lives of our predecessors. We continue to strive to create awareness of the museum in our community and the importance of our heritage.
Funding Sources:	The main source of funding for our organization is grants. The R. M. of Dufferin and the Town of Carman support the museum which helps with general maintenance and costs. We also have been fortunate to receive funding from the Government of Manitoba for various projects most recently re-shingling the log house this summer. We continue to fundraise with book and souvenir sales. This summer we are planning to have a garage sale at the museum if restrictions allow. We are also hopeful that we will be able to host fundraising events again soon such as pottery and paint nights.
When was the last time (year) your organization received a grant from the CAF?:	2021
If you received a CAF grant in 2021, have you submitted the Grant Report?:	Yes
A copy of the organization's most recent financials.:	Museum-Balance-Sheet-for-December-31-2021.pdf Museum-Income-Statement-to-December-31-2021.pdf
List of all officers of the Governing Board and all Directors:	Board-of-Directors-2021-2022.docx
Project Title:	Log House Step and Landing

Project Description:	The log house is an integral part of our museum. Over the years, our front step has deteriorated and is in desperate need of being replaced. We have received a quote from Frank Smith to build a step and landing for the log house similar to the one that he built at the Boyne school.
Amount Requested $:	1583.61
Total Project Cost $:	1583.61
Budget/Quote/Estimates.:	Frank-Smith-Quote.pdf
Starting Date:	01/05/2022
Completion Date:	31/08/2022
Which community will benefit from this project? (check all that apply):	Town of Carman , RM of Dufferin, RM of Grey, RM of Roland, Community of Sperling
Community Vitality :	Cultivate belonging and safety in community
Arts, Culture & Heritage:	Make art and culture accessible
How many people will benefit from this project?:	The approximate population of areas affected is 9000.
Community Benefits:	The log house has a significant community bond. It was used by the family of George Sexsmith, who was the first reeve of the R. M. of Dufferin. During restoration, some of the logs of the Sexsmith house were unusable so with the help of descendants of another pioneer family in the area, logs were donated from the Frank Morgan log house. Since restoration was completed, the Sexsmith-Morgan log house has been used as a key learning tool for the museum. It has shown children first hand what it was like to live in a one room house in the late 1800's. It has also been a great way for seniors to remise of days gone by.
Capacity staff or member:	We have received a quote from a local carpenter to construct the step and landing. We have had Frank Smith do a lot of work at the museum and feel that he is very competent in completing this project.
Have you approached other sources for support?:	No
Project Completion :	Upon completion of the step and landing, the museum will continue to use it as a great learning tool for the Dufferin Historical Museum. Should small repairs be needed in the future, we will use our maintenance funds. When it comes time for major repairs, we will seek outside assistance through grants and fundraising.
Methods of Recognition:	Social Media (photos/video/write-up), Newspaper, CAF Signage at Project, Other
If "Other" selected please explain::	We will also have it posted on our website once our website is reconstructed.
Has this project been	

authorized by the organization's governing body?:	Yes
